Profile Summary

A dedicated and result-oriented Multimedia journalist with over 10 years of established experience in storytelling, creative digital content creation, conducting interviews, research, general production, and audience relations strategies.

Proficient in workplace and media relationship building, strategic planning, budgeting, leadership, project management and teamwork. I'm a dynamic and creative multimedia journalist with a successful track record of leading teams in storytelling, developing creative, award-winning shows and impactful documentaries. I'm currently pursuing my master's degree in digital journalism and hold a Bachelor of Arts degree in Mass Communication, Electronic Media. I'm seeking to leverage my education, skills, and vast experience to lead teams in story telling for development and social impact.
